TUITION

By signing below, Student agrees to pay Turing tuition prior to beginning classes in accordance with their Tuition Payment Plan* signed after intake with the Financial Aid Department. Tuition is \$20,000 with no additional costs or fees. Tuition includes a new laptop student is issued upon enrollment and payment of deposit. A \$1200 deposit is due upon Enrollment.

*Tuition Payment Plan will be signed by separate agreement and is incorporated into this enrollment agreement by reference.

Cost-of-living and housing are not included in the cost of tuition.

This Initial Deposit is required for disbursement of the laptop you are issued upon enrollment.

- 1) In the event student cancels enrollment after receiving a laptop, student may return the laptop for a full refund of the deposit.
- 2) If a student wishes to keep the laptop Turing will retain the \$1200 Deposit upon

written agreement by the student.
The cost of credit is included in the price quoted for the goods and services.
There are no additional fees.
Turing accepts payment by check, credit card, and ACH bank transfer.

Cancellation & Refund Policy

The Student will receive a full refund of all fees and tuition paid if:

- a. The applicant never attends the first scheduled day of Module 1 (no-show).
- b. The Student requests cancellation of enrollment after signing an enrollment agreement, and within the first 5 days of training (Initial Drop Period). The cutoff for the Initial Drop Period full refund is 5pm on the 5th day of scheduled training.
- c. The Student is not accepted for training by school.
- d. The School discontinues a course/program within a period of time a student could have reasonably completed it, except that this provision shall not apply in the event the School ceases operation. In the event Turing ceases operations, students will receive a refund in compliance with the requirements outlined by DPOS, the state governing agency.
- e. All refunds due under the above provisions for cancellations will be refunded within 30 calendar days of the applicable circumstance.

2. In the event the Student cancels enrollment after receiving a laptop and within the Initial Drop Period, the Student will be asked to return the laptop distributed. The Student may elect to keep the provided laptop and either purchase the laptop from Turing at the same non-profit discounted rate Turing receives, or apply their existing deposit towards the purchase price of \$1200.00.

3. If the Student withdraws or is dismissed from the program after the Initial Drop Period, Student will be entitled to a pro rata reimbursement based on completed hours. The number of completed hours is based on the percentage of contact hours enrolled in beginning on the first day of the program through the last day in attendance. Each day of the program is calculated as 6 contact hours.
The table below demonstrates the percentages completed versus the % refunded,

3 of 9

however the exact % of completion will be calculated based on the individual students contact hours. The refund is based on the last date of recorded attendance.

Completion of course upon termination	Refund
10% of program completed	90% Refunded
20% of program completed	80% Refunded
30% of program completed	70% Refunded
40% of program completed	60% Refunded
50% of program completed	50% Refunded
60% of program completed	40% Refunded
70% of program completed	30% Refunded
80% of program completed	20% Refunded
90% of program completed	10% Refunded

4. For an enrolled student, the refund due is calculated using the last date of attendance (LDA) and will be paid within 30 calendar days from the documented date of determination (DOD). The date of determination is the date the student gives written or verbal notice of withdrawal to Turing, or the date Turing terminates a student due to violations of Turing's attendance, conduct, or Satisfactory Academic Progress policies.

5. For any Student electing the Up-Front Option of payment, the Student will be entitled to a pro rata reimbursement based on completed hours. The number of completed hours is based on the percentage of contact hours enrolled in beginning on the first day of the program through the last day in attendance. Each day of the program is calculated as 6 contact hours.

6. Any Student receiving funds from a third party lending source will be entitled to a pro rata reimbursement based on completed hours. The number of completed hours is based on the percentage of contact hours enrolled in beginning on the first day of the program through the last day in attendance. Each day of the program is calculated as 6 contact hours. Any refund due will be refunded to either the Student or the lending partner in accordance with any applicable agreement with the lending source, which may require direct repayment to the lender as opposed to the Student.
7. The policy for granting credit for previous training shall not impact this refund policy.
8. Complaints which cannot be resolved by direct negotiation between the Student and the school may be filed with the Division of Private Occupational Schools of the Colorado Department of Higher Education. The Division shall not consider any claim that is filed more than two years after the date the Student discontinues his/her training at the school.

CODE OF CONDUCT

All students are expected to act maturely and are required to respect other students and faculty members. Any threat of or actual physical violence on or against any Turing student, faculty, or guest is not allowed on Turing property or at Turing sponsored events. Any Possession of weapons, concealed or open, whether licenced or not, or illegal drugs is not allowed on Turing property. Any student may be dismissed for violations of the above stated rules. A student may also be withdrawn from classes for misrepresentation or dishonesty in completing assignments or if he or she does not prepare sufficiently, neglects assignments, or makes unsatisfactory progress. Any violation of Turing policies may result in permanent dismissal from the program. The full Code of Conduct is contained within the Turing Catalog. All students are expected to read and be aware of the policy, as indicated below.

NONDISCRIMINATION POLICY

Turing does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admission policies, scholarship, and loan programs and other Turing administered programs. It is the Policy of Turing School of Software and Design ("Turing") to admit students of any race, color, national and ethnic origin and provide access to all the rights, privileges, programs, and activities generally accorded or made available to students at Turing.

COURSEWORK IP

Student expressly acknowledges that the Program and all intellectual property related thereto including, but not limited to the curriculum is the exclusive property of Turing. Student expressly acknowledges that all course work, including any projects performed as a student of the Program, shall be subject to a MIT-style license where permission is granted, free of charge, to any person obtaining a copy of the software and associated documentation files (the "Software"), to deal in the Software without restriction, including without limitation, the rights to use, copy, modify, merge, publish, distribute, sublicense, and/or sell copies of the Software, and to permit persons to whom the Software is furnished to do so, provided that the Software is provided "as is" without warranty of any kind, express or implied, including but not limited to the warranties of merchantability, fitness for a particular purpose and non-infringement. In no event shall the authors or copyright holders be liable for any claim, damages or other liability, whether in an action of contract, tort or otherwise, arising from, out of or in connection with the Software of the use or other dealings in the Software.

ENTIRE AGREEMENT

This Agreement constitutes the binding agreement between the Parties, represents the entire agreement between the Parties relating to the subject matter hereof and supersedes all prior agreements. This Agreement may only be modified by a writing signed by both Turing and Student.

GOVERNING LAW

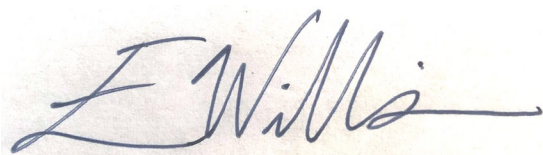

This Agreement shall be governed by and construed in accordance with the laws of the State of Colorado, without regard to conflicts of law principles thereof. Venue for any

action or dispute shall be the State of Colorado. Turing is approved and regulated by the Colorado Department of Higher Education, Private Occupational School Board. Complaints may be filed online at highered.colorado.gov/dpos or by telephone at 303-862-3001. There is a two-year limitation from the student's last date of attendance for the Division to take action on student complaints.

COUNTERPARTS

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Upon being signed by both parties, this Agreement becomes a legal and binding contract. Student will receive a copy of this executed Agreement upon signing.

BY SIGNING BELOW, THE STUDENT AGREES TO THE ABOVE TERMS AND AGREES TO PAY TURING SCHOOL OF SOFTWARE & DESIGN THE TOTAL STATED TUITION AND FEES. STUDENT ACKNOWLEDGES RECEIPT OF THE CURRENT CATALOG AND TURING AGREES TO PROVIDE THE OCCUPATIONAL TRAINING IN ACCORDANCE WITH THE PROVISIONS OF TURING'S CURRENT CATALOG. PAYMENT OF ALL MONIES DUE SHALL BE A CONDITION ON CONTINUING ENROLLMENT. THE STUDENT AND TURING UNDERSTAND THAT THIS ENROLLMENT AGREEMENT MAY NOT BE AMENDED EXCEPT IN WRITING AND SIGNED BY BOTH PARTIES.
